

## Insurance

### Responsibility for damage

An optional collision damage waiver (C.D.W) is available and highly recommended. (note: C. D. W. is not Insurance).

If C.D.W. is declined, the hirer accepts full responsibility for all loss or damage to the vehicle caused by accident, fire or theft, regardless of who is at fault.

If C.D.W is accepted, responsibility for damages is reduced to US\$ 250.00, providing the vehicle is operated in accordance with all conditions of our contract. C.D.W. does not cover damage to tyres, rims, or cigarette burns to upholstery.
